Friday, July 10, 2020

The Directors of The Great Geauga County Fair continue to work around the clock reviewing every aspect of the September 3-7, 2020 fair.

We are working with state and local health officials and following the Responsible Restart Ohio guidelines for fairs as provided by Governor DeWine. We will continue to monitor the situation and adjust as we move forward to the 198<sup>th</sup> edition of the fair.

While some high-risk activities and shows have had to be postponed, most of our family-friendly events remain intact.

Entries are now open for anyone wishing to exhibit at this year's fair. We urge you to enter online at the fair website [geaugafair.com](http://geaugafair.com). The entry deadline is Wednesday, August 12, 2020.

Grandstand shows will remain, and seating capacity will be limited to 50%. Tickets to Grandstand Shows can be purchased online as well as Advance Sale admission to the fair. Our food and concessions will adhere to the safety guidelines provided by the state and Bates Bros Amusements will be providing rides again this year. They have worked with health officials on the strict sanitation and ride program to continue to provide a positive experience.

We understand that this is a difficult and stressful time, but we are committed to working towards a safe event for those who wish to participate.

Please continue to monitor the fair website for details as we move forward at [geaugafair.com](http://geaugafair.com).
