

198TH ANNUAL

THE GREAT GEAUGA COUNTY FAIR

SEP
3-7,
2020

ENTRY DEADLINE: WEDNESDAY, AUGUST 12, 2020

FOREWARD

The 197th Great Geauga County featured near perfect weather, mild temperature Thursday and Friday to build the excitement for a record breaking Saturday with week long attendance totaling 227,906.

Exhibit halls remained full and livestock numbers held steady. The entertainment committee debuted the KOI Drag Racing in the Grandstand and Circus Incredible anchored the midway with multiple shows.

A bittersweet congratulations to Fairboard Director Sam Plants who was awarded the Ohio Department of Agriculture 2020 Outstanding Fair Supporter. This award was presented at the 2020 Ohio Fair Managers Convention in January. Shortly after we tragically lost Sam from our fair family. He will be deeply missed and fondly remembered.

The year 2020 has proven to be a challenge with the unprecedeted obstacles and uncertain times due to the COVID-19 pandemic. We are confident and optimistic that we will have a fair this year and we are counting on our volunteers and supporters to help make this happen. Please understand that there may be some scheduling changes and safety measures along the way.

We look forward to seeing you at the uninterrupted 198th Great Geauga County Fair!

Respectfully,
Paul Harris, Secretary

Frequently Asked Questions

?????

What is the difference in the passes?

Our exhibitor tickets allow any individual (over 12 yrs old) to enter items in the fair as well as enjoy gate admission for themselves and/or family and friends. An exhibitor ticket or membership becomes a punch card for gate admission into the fair. Ticket and passes can also be used as identification when dropping off and collecting items from the departments they entered. Exhibitor tickets must be purchased with entries by fair entry deadline.

- \$25 Exhibitor Ticket: 5 gate admission punch card
- \$15 Exhibitor Ticket: 3 gate admission punch card (non-animal entries only)
- \$30 Membership Pass: 5 gate admissions and entitles the person to vote and hold office in the Agricultural Society. Must be 21 years old and a resident of Geauga County.

Do I have to buy an Exhibitor Ticket or Membership?

Yes. All exhibitors (13 and older) must purchase either an exhibitor ticket or membership. Animal exhibitors must purchase a \$25 exhibitor ticket or membership. All non-animal exhibitors can choose between a \$15 or \$25 exhibitor ticket or the membership.

Do Juniors (12 and under) need to buy an Exhibitors ticket?

No. Any child 12 and under may enter the junior classes – check the Junior Class on the entry form. If a child wishes to enter a non-junior class then they must purchase an exhibitor's ticket.

As a Junior Fair participant, can I enter my animal project into Open Show?

No. All Junior Fair exhibitors are not required to purchase an exhibitor's ticket for their project animas, but must pay the animal entry fee.

As a Junior Fair participant, can I enter an animal that isn't a Junior Fair project?

Yes, as long as you buy a \$25 exhibitor pass and pay the entry fees. This includes all cloverbuds and associate members.

Do I have to pay an entry fee for non-animal entries?

No, you only have to purchase one of the three choices of tickets or pass above.

When do I drop off my entries?

Drop off times vary and are listed at the beginning of each department. Before taking an exhibit to a building, pick up the tags for your entries in the Secretary's Office. These tags may be picked up the week before the fair or the day of your entry.

Why do I have to supply my SSN?

Only those entering that believe they will exceed \$600 in premiums. We must issue you a 1090 tax form and report to the IRS.

How do I buy tickets to the Main Grandstand shows?

In June, tickets are on sale in the fair office and online. During the fair, tickets are on sale each day starting at 1 pm at the Main Grandstand ticket booth.

4. Regardless of the age of the Senior Showmanship winner, if he or she chooses not to compete in Showmanship Sweepstakes, the exhibitor who stood second to that person may elect to compete in Showmanship Sweepstakes. If the second place exhibitor declines, they may show the following year in the Senior Showmanship class as they have not won the class.

SHOWMANSHIP SWEEPSTAKES

Monday - 11 a.m. - Arena

Superintendents: Lizzie Love and Taylor Cox

Adult Coordinator: Jan Jackam

Rules:

1. This Contest is open to all of the Senior Showmanship winners.

2. Participants in Showmanship Sweepstakes may only represent one animal department. If the participant won first in more than one animal department, he or she must choose which department he or she will represent. Once he or she has decided which department he or she will represent, he or she must then inform the second place winner in the department he or she will not be representing that he or she is eligible to compete. The second place winner has the option of declining to participate in Showmanship Sweepstakes. If he or she does decline, they may still compete in Senior Showmanship the following year because they have not yet won the class. If the exhibitors placing first or second in a species do not want to participate, that species will not be represented.

3. Each division will be judged by a suitable representative chosen by the winner of the species and approved by the Adult Coordinator in each department.

4. One animal from each competing department will be needed for the competition. If any animal department has no participant for Showmanship Sweepstakes, that department will not participate in any capacity in the competition. Each participant will bring their own winning showmanship animal for the other participants to show. Only if there is concern for safety shall another animal be used. The safety concern will be decided between the Adult Coordinator in charge of Showmanship Sweepstakes, the exhibitor, and the Junior Fair Superintendents from the Department whose animal is in question.

5. Each judge will rate the participants on a scale of one to ten, with ten being the best. The member with the highest score will be the winner. Each judge will give each score to the scorekeeper accompanying that contestant who will then tally each contestant's points as they progress to each station.

6. If, for whatever reason, a contestant does not wish to show a particular animal, he or she may refuse to show that animal and take the lowest score (1) for that department.

7. In the case of a tie, the tying contestants will be asked to show a neutral animal. The animal will be chosen by a random drawing.

8. Any member in Showmanship Sweepstakes may not compete again representing the same department. Anyone who has won Showmanship Sweepstakes cannot compete again.

9. The awarding of the Showmanship Sweepstakes trophy will be held immediately following the Large Animal session in the Arena. The judge's decision is final.

JUNIOR FAIR GROUPS

4-H

4-H is for youth between the ages of 8 and 19 as of January 1 of the current year. Every 4-H club has its own officers, programs, and projects. Volunteers assist and guide the club as advisors. The 4-H program is managed by Ohio State University Extension Educators.

Each 4-H member works on a project of their own selection. There are over 200 different opportunities in areas such as clothing, foods, livestock, pets, bicycles, woodworking, creative arts, conservation, and leadership development.

The expectations for 4-H membership are a balance between 4-H project work, involvement in the 4-H club, participation in 4-H activities and events, and working towards improving one's personal growth.

To be eligible to attend and show at Junior Fair, 4-H requires that all exhibitors complete project judging prior to Fair.

GEAUGA COUNTY GRANGE YOUTH

Goals for the youth are: active Junior Grange committee in every subordinate grange, increase in junior organizations, and members, good ritualistic work at all meetings, proper flag presentation and respect for God and country, well balanced programs, regular attendance and orderly conduct at all Grange meetings and activities. There are many opportunities for the Grange Youth to develop personal and community growth. Use of the State Grange Camp at Friendly Hills is encouraged.

GHPA

Geauga Horse and Pony Association was started 32 years ago as a family orientated organization with a goal to provide youth to 19 with an opportunity to be involved with equine of all breeds. By providing educational programs, horse shows, trail riding experience, obstacle challenges and community service youth members gain self confidence, leadership skills, equine knowledge, responsibility and good sportsmanship.

BOYS SCOUTS AND GIRL SCOUTS

The purpose of the scouting program is personal growth, character development and citizenship training for youth 5-17 years of age through participation in democratic process: leadership responsibility in troop program, wider events, community action projects; education in human relations, volunteering, conserving the natural environment, mental and physical health, family relationships, the arts and career exploration.

FFA

This organization is composed of students enrolled in an Agricultural Education class in preparation for careers in agriculture. FFA provides motivation, enthusiasm, activity, competition, and fun to the total program. FFA is an active organization that includes chapter meetings, group activities, judging/skill contests, and community service activities.

FARM BUREAU

The objective of Farm Bureau Youth is to instill in the youth a knowledge and appreciation of Farm Bureau and develop social and leadership skills which make them better citizens. It is a means of developing future leadership for the Farm Bureau while providing wholesome fun for the youth.

Emphasis is on group accomplishments and activities rather than individual accomplishment. The young people choose their own members, elect their own officers, and carry out their own programs.
