The Directors of The Great Geauga County Fair would like to thank you for your patience during this difficult time. The future still has more questions than answers.

However, at the present time despite the Ohio Fair Managers recommendations to the Governor's Office, no direction has been given to how fairs can proceed. Currently, the Geauga County Fairboard has agreed to move forward with a full fair September 3-7, 2020. Now more than ever we will need the support of our volunteers and community for a successful Labor Day weekend. We look forward to providing the 198th edition family-friendly, safe event for all to enjoy.

We would ask that you continue to monitor the fair website geaugafair.com and the fair Facebook page for updates.

Stay safe,

Paul Harris
